Located at the crossing of the Ohio and Erie Canal and the National Road, Hebron was a favored commercial and agricultural center for Licking County in the nineteenth century.

Only four miles north of the city Governor DeWitt Clinton of New York turned the first spadeful of dirt for the Ohio and Erie Canal on July 4, 1825. The canal was completed through Hebron in 1828. Near by Buckeye Lake served as a reservoir and feeder for the canal until 1894 when it was set aside for park purposes. The National Road was completed through Hebron in 1834.

Mr. Gerald Smith  
Sewah Studios  
Marietta, Ohio

Dear Mr. Smith:

Enclosed is text for Hebron marker. Text should be in 5/8" with city name caption in 2" letters. Copy will be the same on both sides. The marker would, of course, include the 7' alucrete post.

I will advise you of shipping instructions later. Their deadline is July 4. Of course, they will need it a few days previous for installation. According to your schedule the price would be approximately \$150.00 - \$175.00.

Is it possible to get two emblems for the upper right and left corners of the marker. One of a canal boat the other of a stage coach? I will have to ask them about this but think they would like them.

The marker is being sponsored by the Boy Scouts in conjunction with various service groups in connection with their centennial celebration.

Please call if anything more is needed.

Sincerely,

Robert L. Damm  
Secretary of the  
Ohio Historical Marker's Committee

Mr. Neal Snartz,  
Wooster Avenue,  
Hebron, Ohio

Dear Mr. Snartz:

Enclosed is invoice billing on the HEBRON historical marker. As instructed by Mr. Robert Damm, the billing is to Boy Scout Troop No. 27.

Our local tax examiner advises that if payment is made from troop funds raised for this project it is not subject to the three percent state sales tax. Assuming that this will apply, the tax has not been included.

Enclosed is an exemption form which we request be filled out and signed and returned for our files.

I trust the marker arrives in good time and that the weather is perfect for your dedication ceremonies.

Sincerely,

SEWAH STUDIOS
